

College :

*ICARE Institute of Medical Sciences and Research and Dr. Bidhan Chandra Roy Hospital, Haldia's (IIMSAR & BCRHH) was established with a view to create at Haldia a modern education centre as well as health care facilities of excellence to provide value based educational & Health Service of International Standard with a motto to march ahead to build an ideally developed Haldia. IIMSAR would offer MBBS programme in the beginning which will later expand to PG programmes in various streams of health education with an initial intake of 100 students in MBBS.*

Sports:

Facilities for indoor and outdoor sports are available in the campus. A well equipped multi-gym with qualified trainer separate for boys and girls is going to be established soon. Extensive playground areas has been earmarked to develop student's skill and form teams in Cricket, Football, Badminton and athletics.

Labs :

Integrated teaching involving the pre-clinical and clinical departments will be an innovative approach. To fulfill these goals we maintain updated laboratories equipped with semiauto analysers, blood gas analysers, spectrophotometers, gel electrophoretic apparatus, Flam photometers and chromatographic chambers etc.

## Hostel:

The ICARE Institute of Medical Sciences & Research and Dr. Bidhan Chandra Roy Hospital, Haldia provides students with Hostel facilities within its premises. There are separate blocks for boys and girls. Furnished single, double and triple occupancy rooms are available. Canteen is conveniently located within the boys and girls Hostels.
